## Scavenger Hunt

find a  
rockpool,  
what can you see  
in there?

feed a sea  
bird

build a sand  
castle

catch a  
crab

collect 4  
shells,

don't forget to  
put them to  
your ear to  
hear the ocean

count how  
many boats you  
can see

help keep the ocean  
safe by collecting  
anything that  
doesn't belong

what other  
sea animals  
can you see?

body surf  
a wave
