REGGIO EMILIA EASTER PACK

What included in this pack

Print on A4 size (thick cardstock works best)
for durability we recommend laminate

12 x EASTER PROVOCATION FLASHCARDS
(cut out and setup over you Easter provocation tables , or use as invitations to play in your craft stations to provoke children, into thought and creativity)

3x mini Easter bunny ears
(cut out and get children to use in their imaginary play, great for your Easter morning basket or sensory tables)
USE ON EGGS OR ROCKS for a open ended experience.

4x Nature Easter Manipulative craft mats
(cut out to form your round edge mats, get children to use things they find in nature (petals,grass,moss ect) to decorate each image, or use however you like.

5x Easter tracing provocation mats
(cut out to form your round edge mat, get children to use loose parts to trace around the image, (some loose parts include, beads,lentils,rocks,buttons anything else you may have on hand) - these are great for young ones to learn hand eye cordination,and pre writing skills

1x egg colour match activity
(cut out egg, and get children to find each colour out in nature to stick onto their egg.)

-A4 size alphabet playdough mats for E-A-S-T-E-R

Can you make a home
for the Easter bunny?

Can you sort the eggs?

Can you decorate the
eggs?

Can you make a Easter
hat?

Can you draw something that reminds you of Easter?

How many eggs do you think there are?

Can you make a nest for your eggs?

Can you make a basket?

Can you create a
Easter gift basket?

Can you make a
Easter card?

Can you decorate these?

What Easter crafts can
you make?

DIRECTIONS

Cut out bunny ears , and make mini Easter bunnies on either eggs, or rocks!
DONT FORGET TO DRAW EYES A NOSE AND WHISKERS

Print on thick A4 SIZE cardstock or A4 paper and laminate. Then Cut out Easter manipulative mats around curve edge border. Get children to design on it either using nature finds (leaves,flowers,moss etc) or craft materials.TIP: print on a natural cardboard coloured cardstock for a more wholesome look!

Can you trace me?

Print on thick A4 SIZE cardstock or A4 paper and laminate. For extra durability you can even stick the back onto cardboard and cut out. Once ready get kids to take outside and find the colour to match out amongst nature, from flowers,leaves,grass ect. Get them to sticky tape on the correct colour column
